Sweet Birds of Youth

HAIR BY AVRIL STEVENS, WINNER OF L'ORÉAL PROFESSIONNEL
COLOUR TROPHY NEXT GENERATION AWARD 2010.
HAIR MENTOR EMILIO CATALDO.
PHOTOGRAPHY BY JASON IERACE.

Avril, on her Next Generation Award Winner's shoot with culture...
"The entire shoot process was such an eye-opener to me and proved how important it is that all elements of the story – makeup, styling, model, photography and hair – come together to make each shot look great. It's all about team work."

To get these textured waves, prep hair by double-moussing dry hair using L'Oréal Professionnel Tecni.art Volume Riche and Tecni.art Volume Lift, then set the hair using foil stylers in a figure eight pattern. After drying the hair and combing through with fingers, style using Tecni.art Air Fix and Elnett hairspray to further texture and hold.
