

LET THEM EAT CAKE BY LAUREN CATALDO

Wednesday, 12 October 2016 10:54

'Let Them Eat Cake' is a collection inspired by the beauty and selfishness of Marie Antoinette. It is symbolic of where we, as a society, are left if that is all we aspire to. "Hedonism is so prevalent in society and I wanted to show that in my pictures. I thought of Marie Antoinette right away—a lovely but icy woman," says Lauren Cataldo.
